ADVANSYS®
advansyscorp.com

Advansys Formativ transforms Novell® GroupWise.

Formativ's revolutionary technology empowers the individual and the enterprise with a fast, easy and cost-effective way of customizing GroupWise to meet business needs.

Choose from a wide range of 'out of the box' solutions, free Formativ tools from the GroupWise Cool Solutions Web site or use Formativ to create new solutions. Formativ's ground-breaking features, including the Formativ Portal Manager™, bring a completely new dimension to extending GroupWise functionality and user experience.

For the enterprise, Formativ's unique Novell eDirectory™ option delivers fast, scalable and secure solution management.

Formativ Academic Timetable view illustrates the power of the Formativ Portal Manager

There is a Formativ product to suit end users, administrators, system integrators, developers, small business and the enterprise:

Formativ Runtime - an affordable framework used to run an unlimited number of Formativ solutions.

Formativ Creator - a low cost, integrated development tool for creating and running your own GroupWise solutions.

Formativ Studio - run, create and securely manage Formativ solutions using Novell eDirectory.

Formativ Solutions and Solution Packs provide a wide range of ready-to-user GroupWise solutions.

From as little as \$2 per user, Formativ is an indispensable GroupWise companion product for the individual and across the enterprise. For more information visit www.advansyscorp.com.
