ADVANSYS®

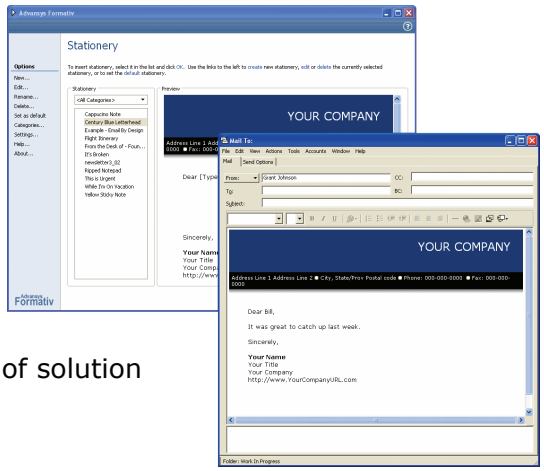
advansyscorp.com

Extend **the GroupWise client to suit *you*.**

In today's connected business environments, strong collaboration is key. With GroupWise reliability and security at its core, Formativ extends the GroupWise client with hundreds of business solutions.

Formativ unlocks the power of GroupWise:

- Modular solutions
- Task-focused packs
- Add and remove solutions with ease
- Scalable design
- Individual and enterprise solutions



Choose from a wide range of solution packs:

- Presentation Pack
- Calendar Pack
- Productivity Pack
- And more

Message Saver Pack allows you to export and view GroupWise messages without GroupWise. The ground-breaking Formativ Portal Manager™ offers access to Web, Intranet pages or HTML forms, all from within the GroupWise client.

Enterprise solutions include:

- Enterprise Proxy
- Enterprise Calendar Dates
- Enable administrators to configure centralized calendar and proxy rights management.

POWERED BY Formativ Free Formativ solutions are available on the GroupWise Cool Solutions Web site, www.gwmag.com. Formativ tools enable users at all skill levels to create new GroupWise functionality with unprecedented speed and ease.

FREE 30 Day Trial! **From as little as $2 per user**, Formativ offers solutions for end users, administrators, system integrators, developers, small business and the enterprise. For more information and **free** full-featured 30-day trial software, visit www.advansyscorp.com.

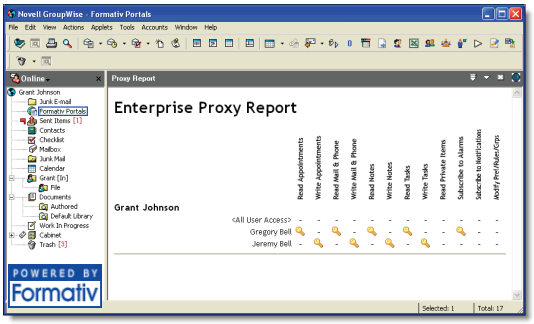
Create **GroupWise solutions with ease.**

Formativ is designed exclusively for GroupWise. It enables users at all skill levels to create solutions, boost productivity and increase the value of GroupWise.

Formativ simplifies GroupWise development, allowing you to deliver solutions quickly.



Client integration is simple:

- Point and click integration
- Unique GroupWise extensions
- Secure your work with encryption
- Deploy time-limited trial solutions for testing and evaluation

Create custom solutions:

- Forms
- Hide GroupWise features
- Workflow
- Database integration
- Information import/export
- And many more

Open-source sample solutions are available at advansyscorp.com.

Manage **solutions easily & securely.**

From a GroupWise user to an administrator responsible for thousands of users, Formativ solutions can be managed simply and easily.

You can extend GroupWise functionality by simply running the desired solution installer. Formativ is Novell ZENworks® ready and has the option to use Novell eDirectory to deploy solutions across the enterprise.

FREE 30 Day Trial!

Formativ is backed by Advansys, a developer with more than 12 years GroupWise experience. If you need to extend GroupWise, we can put you on track quickly. Just define the objective you want and we will do the rest. For more information and **free** full-featured 30-day trial software, visit advansyscorp.com.
